**PRICING OVERVIEW AND PURCHASING  
CONDITIONS**

## **PRICING Terms:**

Our pricing policy is 'Price In Effect' for any quotes, open orders, and new purchase orders. Price In Effect means that we will invoice you based on the industry pricing at the time of shipment. Pricing will be set on the first of each month, based on the prior month's average (LME + Midwest avg).

*This policy will be applicable to all orders taken with lead-times exceeding 4 weeks.*

## TERMS & CONDITIONS

### **Invoicing:**

All 6061, 6463 and 6063 custom and standard shapes are invoiced by the foot, or by the piece, and based on Paramount Extrusion's calculations.

### **Order Acceptance:**

Orders are subject to acceptance by Paramount Extrusions Company and will be accepted only under Paramount Extrusion's published terms and conditions. Orders will be accepted by mail, fax, or e-mail. For accuracy please use Paramount Extrusions die numbers and finish codes when placing purchase orders.

### **Acknowledgement:**

Paramount Extrusion acknowledges all purchase orders by written confirmation. If you have not received written confirmation of your purchase order within 3 days, please contact our customer service department to ensure your order is in process.

### **Terms of Sale:**

COD Accounts are required to submit a 25% deposit at time of order entry.  
Net 30 days from invoice date, subject to credit approval.

### **Price Changes:**

All quotes and sales orders are accepted under the terms outlined above regarding 'Price in Effect'  
The prices, discounts, and up-charges stated here or otherwise quoted are subject to change without notice.

### **Samples:**

Samples from die trials are 1 piece, 3'0" long. Samples are intended for dimensional checks only. Written approval is required to proceed with production orders.

\*For special sample requirements, contact your Paramount representative.

### **Special Notes:**

Paramount Extrusion's drivers are not permitted to pick up rejected material without prior authorization from Paramount Extrusions management. Contact your Customer Sales Representative for all rejected material claims. Claims for rejected material must be filed within 30 days of invoice date for the rejected material.

**Paramount Extrusions Company extrudes to ASTM and Aluminum Association Standards International Specifications and Tolerances. For information contact ASTM International at [www.astm.org](http://www.astm.org) or [www.aluminum.org](http://www.aluminum.org)**
