Build America, Buy America Act Compliance Certification-(BABAA)

Dear Valued Paramount Extrusions Customer:

This letter certifies that, to the best of our knowledge, the aluminum extrusion manufacturing processes are in full compliance with the Build America, Buy America Act (BABAA), in accordance with applicable guidelines and best practices for documenting compliance.

It is confirmed that the final manufacturing processes for applicable products are performed within the United States, and that the cost of components, materials, and products mined, produced, or manufactured in the United States meets or exceeds the required threshold of 55 percent, as stipulated by the Act.

We further commit to promptly notify all relevant parties in the event of any changes to our compliance status with the Build America, Buy America Act, as part of our ongoing commitment to transparency and regulatory adherence.

Sincerely,

Noel Larios - Quality Management Representative
